“We warmly welcome Slovenia as our seventeenth Member. Our harmonised hotel classification system provides orientation and high quality for our guests and hoteliers. In times of online reviews, it is even more important to extend this reliable and objective star rating across Europe. With Slovenia’s entry into Hotelstars Union we have gained another popular boutique country located between Alps, Mediterranean and Pannonian Plain.”, says Gabriella Esselbrugge, this year’s HSU President.

“We are very pleased to become a member of HSU. HSU’s standards represent internationally comparable criteria, and the purpose of their implementation is to enhance the recognisability and reputation of Slovenian hotels. We will implement the criteria as a mandatory system for the categorisation of Slovenian hotels.” added Renata Martinčič, acting director general, Republic of Slovenia, Ministry of Economic Development and Technology, Directorate for Tourism.
