## PRESS RELEASE

09/17/2018

**From 25th to 31st October 2018, the Estonian Restaurant Week will be held for the first time through vabalaud.ee, where visitors from around the country can visit the catering sites participating in the campaign, based on a special menu. At the beginning of October, we will also publish a new website where you can get acquainted with the participating restaurants and their menus.**

Vabalaud.ee homepage contains over 100 Estonian catering sites in four languages (Estonian, Russian, English, Finnish). Our campaign aims to revive the restaurant culture by bringing the best restaurants to visitors at a reasonable price. This would include the whole of Estonia and all catering sites on vabalaud.ee portal will be able to participate.

The participating restaurants offer their best tastes for lunch and dinner from 10 Euro for lunch and 20 EUR for dinner during this period.

For all the participating restaurants and their menus, we'll soon give you the information. Stay up to date with our news and offers through our newsletter. To be the first to get the best and the freshest news, go to our homepage

[www.vabalaud.ee](http://www.vabalaud.ee) and find a box in the middle of the front page where you can type your own e-mail and take a step closer to staying up to date with fresh restaurant news.

To participate in the campaign and to taste the menu you need to choose the appropriate menu on the website, after which you can pay for it immediately through the bank link. Special menus are offered on the basis of prior reservation, when booked at least 1 day in advance through the link on the front page of [www.vabalaud.ee](http://www.vabalaud.ee). Follow the [www.vabalaud.ee](http://www.vabalaud.ee) page where you will find all the necessary information at the beginning of October. Information on the Facebook page can be found a little bit earlier.
