The hospitality, HORECA and service sectors have been hit hard by measures taken to mitigate the COVID19 crisis.

The Brewers of Europe is running an advocacy communications campaign in the short to medium term, that aims to support these sectors and call for action by the EU and national governments, and promotes the idea of reconnecting with others as lockdown ends and recovery begins.

## #RECONNECT

This concept will be central to rebuilding lives, livelihoods, culture, society, businesses and economies in a much more sustainable way for the future.

The aims are to:

- Place the beer & hospitality sectors front of mind among policymakers and governments as they develop and implement their Covid19 exit strategies and economic recovery plans
- Play an increasingly active role, to push for the fast recovery of the pubs, bars, restaurants, cafes and hotels.
- Create an umbrella campaign that is inclusive towards other sectors
- Include sustainability messaging for reconnecting as part of a Green Recovery

## WHAT CAN YOU DO?

We invite you to use our resources in this toolkit to help amplify the messaging, and to build support for the hospitality sector amongst our shared stakeholders.

- **Collect and communicate on local stories and initiatives** – The Brewers of Europe have an online platform at <http://reconnect.beer> which will evolve over the campaign to showcase stories and call for action.
- **Media and statements** – in your media outreach, mention the key asks for the hospitality sector and use the concept of reconnecting.
- Use the provided **web banners, email and social media templates** to amplify across your networks and social media – tagging relevant accounts.
- **Systematically use the #reconnect hashtag** to generate more visibility across the issues and **promote it to all relevant stakeholders**.
- **Amplify the social media posts and advocacy efforts by The Brewers of Europe** by reposting, commenting & liking.

## MESSAGING

Hundreds of thousands of **bars, pubs, cafés, restaurants and hotels across Europe had to shut down** to slow the spread of coronavirus.

Literally overnight, citizens lost the meeting spots where they would come together to relax and socialise.

These social hubs and the sectors that supply them and make up the value chain are an **integral part of the European fabric**: its identity, culture, society, tourism and economy, its heritage and its future.

Now, the hospitality sector is being invited to reopen, but this must be done in a **safe and sustainable way**.

With **increased costs, reduced capacity, fewer customers and decreased sales**, these establishments, typically very small businesses, will need **targeted, ongoing and continued support** as consumer confidence starts to grow.

A **revitalised hospitality sector**, supported by a prosperous value chain will mean **increased value, revenues and job creation throughout the value chain**, reigniting the wider society and economy.

As the lockdowns end and citizens are encouraged to once again go out and socialise, it is **TIME TO #RECONNECT**.

To reconnect with family and friends. To reconnect communities. To reconnect with our favourite bars and restaurants. To reconnect the bar taps. To reconnect the value chain, from grain to glass.

Representing hundreds of thousands of enterprises (many of them SMEs), we are **calling for support to businesses in the hospitality sector**.

To ensure a safe and sustainable recovery and support those most hit by the shutdowns, we urge EU, national and local governments to consider options under existing EU legislation. These include:-

- decreasing the fiscal burden through targeted reductions in VAT and excise in hospitality and on the businesses hardest hit by the shutdown
- Measures designed to improve liquidity through targeted grants, favourable loans and rebates that support the phased-in reopening of hospitality, ensuring the business viability of restarting even whilst strict social distancing measures remain in place.

## ONLINE PLATFORM: [RECONNECT.BEER](https://reconnect.beer)

We have created an online resource that will become a hub for information on how each country is reconnecting and recovering across Europe.

Including:

- Stories and news
- Collated statements and letters
- Sector solidarity initiatives
- Wider HORECA examples

The design will reflect the identity included in this toolkit – creating a cohesive brand.

We want it to be a rich resource not only for those within the sector, but for the media, general public and importantly our policy makers to see how we have been dealing with the ongoing effects of coronavirus measures.

Therefore, we require input from you to build a useful, important hub of information.

## OTHER MEDIA

This toolkit will be soon updated with other media:

- Video explanation
- Infographics
- Testimonials
- Social media templates

### THE TAGLINE: TIME TO RECONNECT

We have created a set of connected taglines that make sense, using simple, effective slogans that people and organisations can really rally behind. Those taglines cover the key areas of the campaign: horeca & hospitality, people, family & friends, brewers & breweries, supply chain and green recovery.

They encapsulate the spirit of the hospitality sector and also how beer is central to sharing and connecting activities.

Feel free to use those taglines or to create your own ones.

- TIME TO RECONNECT
- TIME TO RECONNECT HORECA
- TIME TO RECONNECT TOURISM
- TIME TO RECONNECT THE KEGS
- TIME TO RECONNECT WITH YOUR FAVOURITE BAR
- TIME TO RECONNECT WITH YOUR FAVOURITE RESTAURANT
- TIME TO RECONNECT WITH YOUR FRIENDS
- TIME TO RECONNECT WITH YOUR FAMILY
- TIME TO RECONNECT PEOPLE
- TIME TO RECONNECT WITH OUR GRASSROOTS
- TIME TO RECONNECT FROM GRAIN TO GLASS

### EXAMPLES

### UMBRELLA HASHTAGS

We have created a primary hashtag and selected some secondary hashtags suitable

1. to achieve massive amplification and multiple indirect exposure of the messaging to policy-makers;
2. to draw on local and global engagement by a very large scope of stakeholders.

### PRIMARY HASHTAG

**Please embed in all social media communications and promote the use to all partners and stakeholders.**

**#RECONNECT**

## SECONDARY HASHTAGS

Feel free to use them, to translate them, to search for other ones in order to gain amplification and engage with key stakeholders and partners.

#GREENRECOVERY

#HORECA

#TOURISM

#COVID19

#LOCKDOWN

Please feel free to share with The Brewers of Europe other hashtags used in local campaigns suitable to be used when relevant. Doing so, we can cross-fertilise campaigns and communications.

## COLOURS

Primary colours detailed in this section are suitable to be tweaked in accordance with organisations' communications guidelines.

	<b>RGB</b>	249/177/34	Warm colour referring to beer & conviviality.
	<b>CMYK</b>	0/35/90/0	Can be swapped with primary accent colour of your organization.
	<b>HEX</b>	#F9B122	Suitable to be used as accent colour, in titles & taglines, or as background colour.
	<b>RGB</b>	255/255/255	Suitable to be used in box background on pictures to make text easily readable.
	<b>CMYK</b>	0/0/0/0	
	<b>HEX</b>	#FFFFFF	Suitable to be used for text and titles on orange background.
	<b>RGB</b>	0/0/0/0	
	<b>CMYK</b>	30/30/30/100	Suitable to be used for plain text and as accent colour.
	<b>HEX</b>	#000000	

## VIDEO

A video is available on YouTube and is suitable to be shared on social media or integrated in a website:  
<https://www.youtube.com/watch?v=1oCNpkpYDO0>

## THE “GLASS OF BEER” CURVE

The “glass of beer curve” is used as a graphic signature in the campaign. It is suitable to be used as a footer in communications material: flyers, social media posts, keynote slides, banners.

You can customise it by inserting the logo and the name of your organization.

The orange colour can be swapped with the primary accent colour of your organization.
